

# MARSHFIELD AREA GENEALOGY GROUP

Vol. I No. 3

Marshfield, Wisconsin

July-August 1984

## NEWS OF OUR GROUP

The MARSHFIELD AREA GENEALOGY GROUP has had a very active two months. Membership has more than doubled since our last newsletter! I am happy to announce that we have 38 members. If we keep growing at this rate we will have to find an auditorium to use for our meetings.

### JUNE DAIRY FEST

Our table at the Northway Mall during June Dairy Fest Days was a success. Our aim was to make ourselves known to the community and it was accomplished. We met many people with an interest in family and community history. We were also able to spark some interest in genealogy by sharing our interest and enthusiasm in it.

We held a drawing for a free membership which was won by Mary Weigel of Stratford, WI. We look forward to having her in our group.

Karen Boerboom deserves a big thank you for her help in coordinating the project. Many of our members responded to the call for volunteers to help staff the table and they also deserve our thank you. Our success was only possible because of their help.

We will have to look for more ways to promote our group in the future. It is worth the effort.

### MAY MEETING

Our program in May was given by Don Schnitzler and Susan Weber. They spoke on "How To Do Your Family History". "Schnitz's" presentation was especially interesting. He outlined many research sources available to genealogists, many of which are unique and hard to find. For those of you who missed it, he will be giving the program for the Marathon County Genealogy Society in September. It is well worth the drive.

### JUNE MEETING

Our program for June was given by Ruth Fors and Carol Nisbet. They are both members of the D.A.R. and they spoke on their organization. Ruth gave us some background of the D.A.R. and told us about their work in the field of education and historical preservation. Carol gave us information on the genealogical resources available through the D.A.R. and offered help to any of us who need assistance with American research.

### TRIP TO REGIONAL ARCHIVES

Members of our group traveled to Stevens Point on June 16 to learn more about the Regional Archives. Ruth Steffen of the Marathon County Group was our guide and did a fantastic job. It was a

fruitful trip for all who attended. She has also offered help to anyone who attends in the future.

She urges everyone who uses the Regional Archives to sign the book as some of their funding is dependant on how many people use their facilities.

Thank you very much, Ruth, for all of your help. The Marshfield Area Genealogy Group appreciates being included in the tour.

#### MEETING PLACE

We still do not have a permanent meeting place! Our hopes to use the Senior Citizens building are still up in the air. The decision has been placed in the hands of the Public Works Department and will not be available until after August.

I have taken the precaution of booking the Flame Room of the Wisconsin Gas Company for our September meeting.

#### NEW MEETING POLICY

We are going to try something new at our next meeting. In the past, we have met at 7:00 and have started our program at 7:30. For our September meeting we will begin our program at 7:00.

The half hour premeeting time was to allow for members to have time to exchange information with each other and to have time to use the library. It seems we use the time after the meeting for this purpose more effectively than before the meeting. We will give this a try and see how it works out. Since we are a new group, we have to keep trying new ideas to discover what works out the best for our group.

#### UPCOMING PROGRAMS

The July meeting will be held at Wausau on Monday, July 16. The meeting is a Joint Meeting of Marathon, Lincoln, Portage and Wood County Genealogical Societies.

You will find a copy of the invitation on the next page of the newsletter. Those of you who wish to attend and would like to car pool, contact Karen Boerboom at 676-2226 or Deanne Reyer at 384-8180. We should leave Marshfield no later than 6:00.

This will be an excellent opportunity to meet members of the other groups. You never know where you will find someone who can help you with your research or who you can help with theirs.

There will be no meeting in August. We will be taking our summer break.

In September, our own Don Schnitzler will once again take the floor with an interesting program. "WHAT'S IN A PICTURE" is the title of his presentation and it sounds like it is going to be another good program.

He will tell us about the evolution of pictures which will enable us to date different styles of photographs we come across in our research. He will also be taking pictures of your pictures immediately following the meeting. Those of you who have old photos that you need to make prints from should take advantage of this offer. The charge will be the cost of the film and the cost of the developing. He has been doing this for quite some time and has been having great results.

YOU ARE INVITED

May 30, 1984

**JOINT MEETING OF MARATHON, LINCOLN, PORTAGE, AND WOOD COUNTY  
GENEALOGICAL SOCIETIES**

Fellow genealogists are invited to join us Monday, July 16th, for a joint meeting of the four central Wisconsin counties of Lincoln, Marathon, Portage, and Wood, beginning at 7:00 p.m.

The guest speaker will be Mr. Jerry Viste, President and Chief Operating Officer of Wausau Insurance Companies, who is also an avid genealogist. The title of his presentation will be "GENEALOGY AND THE HOME COMPUTER" which will be of interest to all, even though you might not own a home computer. Mr. Viste and his wife, Barney, have travelled extensively doing genealogical research.

The meeting will be held in Room 120 of the Marathon County Commission on Aging building at 212 River Drive, Wausau. Those of you coming into Wausau from the North and West, follow Stewart Avenue and Washington Street to River Drive (immediately to the right before you get to the Mall intersection of Washington St. and First Avenue). Those coming from the East and South through Schofield, follow Grand Avenue to the Wausau Fire Station at the intersection of Grand Ave. and Thomas St., turn left onto Thomas Street for a block and turn right onto River Drive. Follow River Drive approximately 5 blocks until you see the Commission on Aging building on the left.

Parking is available in front of the Commission on Aging building. Please use the entrance on the far right off the parking lot and go straight down the corridor to Room 120. We plan to start the meeting at 7:30 sharp and will serve refreshments from 7 to 7:30 and again after the meeting.

Our Society will have available for viewing the eight volume set of Marathon County Cemetery Inscriptions and the 70,000 every-name index which is in progress. We also will have available for sale Mylar notebook protectors with non-acid inserts as well as photo corners, large Mylar sheets, and encapsulation tape (a price list is enclosed) -- Impossible-to-find items in local stores.

We hope to see you there! If you have any questions, call me at 715/359-5686 evenings or weekends.

Sincerely,

Mrs. Edith Carpenter, MCGS Chairman

INDEXING PROGRAM

Our proposed indexing project is not necessary after all. The book, "HISTORY OF WOOD COUNTY", has been indexed by the Heart O'Wisconsin Genealogical Society and is for sale. I do think this is one item we should purchase for our library.

There are still other projects which need to be done and we will choose one for our group to work on.

MADISON BOUND?

For those of you who have research to do at the Wisconsin Historical Society, we have had a much appreciated offer from the manager of the University Inn. You will find that information on page 23.

MARLENE'S PROJECT

Marlene Cherney has collected many items from the MARSHFIELD NEWS-HERALD. She has collected and filed reunions, anniversaries, weddings, births, deaths and engagements for 1982, 83 and 84. She has offered to share her files with our group. If you need copies of announcements for any of the above events, contact her at 659-4315.

EXCHANGE NEWSLETTERS

Our library will be growing in the future. We have received many answers for exchanging newsletters with other groups and their issues will be placed in our library as we receive them. Some who responded were Wis. Rapids, Fox Valley, Marathon County, Green Bay and Vancouver, Washington. This is an excellent way to glean the resources that are available.

LIBRARY

If anyone needs to use our group library in the upcoming months, simply call Susan Weber at 387-8846 for an appointment. Also, since there will be no opportunity to use the library at the July meeting and there will be no meeting in August, you are invited to use it at the home of Susan Weber on the following dates.

July 19 and August 16  
between the hours of  
1-4 and 7-10

You may also use this time to use the copy machine.

FORM SALES

Raymond and Joann Rhodes have taken the position of form sales. If you need forms, you may call them at Rhodes Painting Service - 387-4570. They will be selling the forms at the meetings as well as the Town of Day Book.

DAY MEETINGS

We have discontinued the day meetings for now. We tried to reach all of you to let you know the June meeting was cancelled but not all of you could be reached. If you went to the meeting, we apologize for the inconvenience.

The work involved in having two meetings a month was a bit overwhelming. Joann Rhodes will be taking an informal survey of area members to get their input in this decision. We will bring it up again in September to determine how you feel about it.

The decision to have an evening meeting was made to make it easier to obtain speakers for our programs.

CONFERENCE OR ORGANIZATION

Arrangements have been made with your organization for rooms to be held until 4 weeks prior to the open date of your meeting to insure your room. Please make your reservations promptly. Reservations will be held until 5 p.m. local time unless guaranteed by one night's rate, pre-paid in advance, or credit card guarantee. Check-in time—2:00 p.m. Check-out time—Noon

Dear Genealogists:

Recently, one of my relatives has been spending a lot of time at the Wisconsin State Historical Society in Madison researching our family history. Through her I have learned that many people are infected with the genealogy bug and that the Historical Society has a wealth of information.

While she is busy in the stacks she has her car parked in our hotel parking lot which is located less than two blocks from the Historical Society. She has asked me to make a map available for publication in her Genealogy Club's Newsletter. While doing this, I thought that more of you might be interested in this information. Parking rates are \$1.00 for the first hour, 50¢ for each hour after that, or \$5.00 a day. We just need you to stop in at the front desk with your license plate number.

We would also like to extend to you our discounted University rates should you decide that one day isn't enough to get all your research done. Our regular single rate is \$38.00, but with the discount it would be \$29.00, plus tax. This is the best bargain in the downtown area and our rooms are very nice and spacious. We have a restaurant on premises, cable, color TV and direct dial phone. Continental Breakfast is included and parking is free to our guests.

We are centrally located on Madison's State Street Mall. The Mall begins at the University of Wisconsin Campus and extends seven blocks to the State Capitol Building. All of the shopping, entertainment and dining that State Street has to offer is right out the front door. And with the Historical Society being so close, this is a very convenient location for you.

Should you have any questions, please don't hesitate to give me a call.

Sincerely,

Janna Paige  
Manager

### TOWN OF DAY BOOK

The Town of Day, Marathon County, Wisconsin, still has copies of their centennial book TOWN OF DAY 101 YEARS. It consists of 316 pages of pictures, history, and stories of the town of Day. It may be ordered through our group. The cost is \$15.00. (Mail orders add \$1.00 for postage and handling.)

### PUBLICITY!

Thanks to the efforts of Joann Rhodes, our group will be getting some badly needed publicity. Joann and I were interviewed for the MARSHFIELD NEWS-HERALD last month by Lisa Lehnherr. We shared information with her about our group as well as our own research. Lisa also attended our last meeting.

We hope her article will be successful in interesting others in genealogy. Watch for it!

### TOWN OF EAU PLEINE

The Town of Eau Pleine is celebrating it's centennial this year. Do we have any members from this township? The MARSHFIELD NEWS-HERALD had a very nice article by our new friend, Lisa Lehnherr, on June 29, 1984. She interviewed Clarence Sandgren, who has been researching the history of the township, since 1974.

Our group library has a book that was written by Mr. Sandgren about the history of the Town of Eau Plein since 1875. It is well written and contains stories and pictures as well as maps and official records.

The township will be having a celebration on July 8, at 1:00 at the March Rapids Park which is located north of Stratford.

### WORKSHOP AT STEVENS POINT

The Stevens Point Area Genealogical Society will hold a workshop about Passenger Lists and Emigration Indexes on September 15. The speaker will be Maralyn Wellauer, an author and genealogist.

If you send your registration in before August 31, the cost is \$6.00. It will cost \$8.00 at the door. Make checks payable to Stevens Point Area Genealogical Society and mail to Workshop Chairman, Hilde Henkel, 1624 N. Burgandy Lane, Stevens Point, WI 54481.

### GERMAN FEST

Don't forget German Fest in Milwaukee, July 27, 28, and 29. A must for those of German ancestry!

### WISCONSIN RAPIDS

The Heart O'Wisconsin Genealogical Society will have a display at the McMillan Memorial Library on Aug. 10. They will try to schedule tours of the library. This would be an excellent time to meet our fellow genealogists.

This group has also copied all cemeteries in Wood County. I will find out what they have available for use and report back to you with the information.

### COURTHOUSE POLICIES ARE CHANGING

Some courthouses are now limiting the times they allow researchers to use their records. It would be best to call ahead and check their policies before going so as not to waste a trip. Please report your findings to our group so we may begin a file for our reference.
