## MAY AND JUNE MEETINGS

Our May meeting will be held May 23rd, at the Upham Mansion (212 West Third Street) with a tour of the mansion and the genealogical resources that they have of interest to us including their newspaper collection.

Tour begins at 7:00 p.m. followed by a short business meeting and election of officers and then a little time to browse.

The ballot of officers-elect are as follows:

- President: Sherrie Framness
- Vice President/Membership: Diane Susa
- Secretary: Betty Schuster
- Treasurer: Lorraine Markee
- Bd. Member at Large: Judy Peterson

Thank you to all of the officers-elect for volunteering their time and talents to MAGG.

Our June meeting will be held June 27th in Room LL207 of the Marshfield Clinic. The evening will consist of our annual "Show and Tell" program. Also Don or Vickie Schnitzler will have the equipment along for copying your photos. Now is a good time to get this done especially if you don't have good copies of your original older pictures for submitting to the Marshfield History Project. Meeting starts at 7:00 p.m.

## VOLUNTEER NEEDED AS PROGRAM CHAIRPERSON

Our current Program Chairperson, Bill Holmquist, is moving back to Minnesota this summer. We are in need of a volunteer to serve as Program Chairperson. If interested, please contact Vickie, (715) 387-4044 to discuss this position. Thank you Bill for the time you've donated to MAGG.

## MAGG LIBRARY TO DONATE HOLDINGS TO THE MARSHFIELD PUBLIC LIBRARY

At the April Board of Directors Meeting, the following policy was put into effect regarding the donations of the MAGG Library to the Marshfield Public Library:

1. People who have donated items to the MAGG Library should have the option to recall their items..

- \* use newsletter to inform members
- \* draft a separate letter for past members
- \* all loaned articles need to be returned

2. A Committee should be set up to work with the members and the Marshfield Public Library.

3. The Committee will bring recommendations back to the board for approval.

4. The board then brings final decisions back to the general membership.

5. The librarian should get library updates ready for members. (Will try to have this ready for the May meeting or can be picked up any time after at the Schnitzlers.)

The Committee of Members who volunteered to serve on this Committee at the April Meeting are:

- Irene Johnson
- Lorraine Markee
- Diane Susa
- Betty Schuster
- Vickie Schnitzler, Librarian

Thank you for your help. We hope to have things decided and recommendations by this Fall.

## PRESIDENT'S MESSAGE:

Dear Members:

This is my last message to you as president. It has been a busy two years, although it only seems like a few months. "We" have accomplished many things with "your" help. My key words here are "we" and "your". A successful organization is a joint effort between all its members, not just the work of one person. Without everyone doing their part the Marshfield Area Genealogy Group would not be what it is today. Thank you for all your help in making my two years as your president successful for the group.

Our Neurology Index is nearly complete for the Marshfield Newspapers for the time period of early 1880's to 1908 and has been expanded to include marriages and births as well. Thank you Lorraine, Lucille, Florence, and Kathleen for all your hard work as well as to the staff at the Marshfield Public Library for their help.

The deadline is also approaching for submitting reservations of your family stories to the Marshfield History Project. June 15th is the deadline for reserving space in the book. Although your stories do not need to be sent in until September 1st, spots need to be reserved now, so we can determine the number of pages and therefore the cost that the book will be sold at. Remember: 500 word limit per story, one picture per story. You may submit more than one story in the book (for example - one story on your grandparents, one on your parents and one on your family, etc.) We are however, limiting the submissions to stories of families that lived in or near Marshfield not only from the earlier years, but also up to and including now. Contact the Mainstreet Office with your number of space reservations at (715) 387-3299 or call me at (715) 387-4044.

Thanks also to Lorraine Markee, our Clark County Cemetery Project is almost finished. There are only a few cemeteries left to finish and then the information needs to be keyed into the computer. Keep your eyes and ears open for further updates.

All in all, it has been a good year. Get your summer research trips planned now and your trunk packed with all those supplies needed on the cemeteries. Have a good and productive summer.

As Always, Vickie
